Recruiting Team,
Vantiv, Inc.

Dear Hiring Manager,

Please accept this letter as an application for the Co-Op/Intern Software Engineer position currently available with Vantiv, Inc.

I have 5 years of academic experience in doing various projects using Java, HTML and SQL. Also, I have a complete grasp on topics such as data structures, algorithms, networks, distributed systems, operating systems, relational databases and optimization. I am confident that with my abilities, I can make an immediate and valued contribution to Vantiv, Inc.

I look forward to hearing from you in the near future to schedule an interview at your convenience. I hope to learn more about your company's plans and goals and how I might contribute to its continued success.

Best regards,

Swarup Mishal

Graduate Student, Northeastern University
